Our Artisan Values

We pride ourselves on baking everything on the premises in our craft bakery - the heart of our company. We've been baking each day since we started 70 years ago. Everything is handcrafted using the very finest ingredients while preserving traditional techniques.

The family business began in 1942, when Eric & Marie Burger moved to Marlow to open a 'Continental Confectioners'. Originating from the French speaking region of Neuchâtel in Switzerland, the Burger family name is pronounced "Bur-ger" with a soft 'g'.

Freshly Baked

All the breads, cakes and patisserie served in our tea room are freshly baked on-site by our Master Bakers. Choose from white, wholemeal or malted granary bread where you see the bread symbol. ☐

We are renowned for our speciality breads - ask us for more details.

Locally Sourced

We go to great lengths to source the finest of ingredients locally where ever possible. From the best vegetables, milk, cream & free range eggs, from Buckinghamshire, to prime Oxfordshire sausages & flour, Luscombe organic juices and of course our wonderful Wiltshire, Oakdale farm gammon ham.
